CRNP—Certified Registered Nurse Practitioner.

Casual contact—The ordinary, routine and age-appropriate association of children, parents and facility persons in the course of daily assembly in a facility.

Certificate of compliance—A document issued by the Department to a legal entity permitting the entity to operate a specific type of facility at a specific location for a specific period of time according to applicable Department regulations. A certificate of compliance approves the operation of a facility subject to Article IX of the act (62 P.S. §§ 901—922) or licenses the operation of a facility subject to Article X of the act (62 P.S. §§ 1001—1088).

Child—A person 15 years of age or younger.

Child abuse—Serious physical or mental injury which is not explained by the available medical history as being accidental; sexual abuse or sexual exploitation; or serious physical neglect of a child if the injury, abuse or neglect of a child has been caused by the acts or omissions of the child's parent, by a person responsible for the child's welfare, by an individual residing in the same home as the child or by a paramour of a child's parent. A child will not be deemed to be physically or mentally abused for the sole reason that the child is in good faith being furnished treatment by spiritual means through prayer alone in accordance with the tenets and practices of a recognized church or religious denomination by an accredited practitioner thereof or is not provided specified medical treatment in the practice of religious beliefs or solely on the grounds of environmental factors which are beyond the control of the person responsible for the child's welfare, such as inadequate housing, furnishings, income, clothing and medical care.

Child care experience—Care for a child in lieu of care by the parent or guardian for part of a 24-hour day. The term includes care of foster children in a court-supervised arrangement. The term does not include care of related children who reside with an individual. The term does not include supervised onsite training in the case of a student who is fulfilling the requirements of a secondary or postsecondary child care training or educational curriculum.

Child care center—The premises in which care is provided at any one time for seven or more children unrelated to the operator.

Child with special needs—A child who has one or more of the following:

(i) A disability or developmental delay identifies on an IEP, an IFSP or a service agreement.

(ii) A written behavioral plan that has been determined by a licensed physician, licensed psychologist or certified behavior analyst.

(iii) A chronic health condition diagnosed by a licensed physician, physician's assistant or CRNP that requires health and related services of a type or amount beyond that required by children generally.

Communicable disease—An illness due to an infectious agent or its toxic products which is transmitted directly or indirectly by the infected agent to a susceptible host. Communicable diseases are specified in 28 Pa. Code Chapter 27 (relating to communicable and noncommunicable diseases).

Department—The Department of Human Services of the Commonwealth.

Facility—A child care center.

Facility person—A staff person, a substitute staff person, a volunteer, a food service person, a janitorial person or another adult who serves in or is employed by a facility.

Fire protection professional—An individual knowledgeable and competent in fire inspections, fire detection, fire suppression systems and practices, fire service training, emergency preparedness planning and emergency evacuation whose competence is demonstrated by membership in a professional organization which promotes firesafety education.

Group—Children assigned to the care of one or two staff persons. A group occupies a space or a defined part of a space.

IEP—Individualized education program as defined in 22 Pa. Code §§ 14.101 and 14.131—14.133 (relating to definitions; and IEP).

IFSP—Individualized family service plan as defined in §§ 4226.5 and 4226.71—4226.77 (relating to definitions; and IFSPs).

Inspection summary—A document prepared by an agent of the Department describing each regulatory noncompliance item confirmed as a result of a facility inspection.

Legal entity—A person, society, corporation, governing authority or partnership that is legally responsible for the administration of one facility or several facilities, or one type of facility or several types of facilities.

Night care—Care for a child between the hours of 7 p.m. and 7 a.m.

Operator—The legal entity or a person designated by the legal entity to serve as the facility director.

Parent—The biological or adoptive mother or father, legal guardian or foster mother or father of the child.

Potentially hazardous food—A food that consists in whole or in part of milk or milk products, eggs, meat, poultry, fish, shellfish or other ingredients capable of supporting rapid and progressive growth of infectious or toxigenic microorganisms.

Public water system—A system for the provision to the public of water for human consumption that has at least 15 service connections or regularly serves an average of at least 25 individuals daily at least 60 days out of the year. The term includes:

(i) Collection, treatment, storage and distribution facilities under the control of the operator of the system and used in connection with the system.

(ii) Collection or pretreatment storage facilities not under control of the operator which are used in connection with the system.

(iii) A system which provides water for bottling or bulk hauling for human consumption.

Relative—A parent, child, stepparent, stepchild, grandparent, grandchild, brother, sister, half brother, half sister, aunt, uncle, niece or nephew. As applied to facilities subject to approval under Article IX of the act, the term also includes a stepbrother, stepsister or first cousin.

School-age care—Supervised child care in a Departmentally certified facility during the hours when a child is not required to attend school.

Service agreement—A service agreement as defined in 22 Pa. Code §§ 15.2 and 15.7 (relating to definitions; and service agreement).

Space—Indoor or outdoor area designed for child care that is large enough to accommodate the maximum number of children allowed under this chapter. A space may be used by more than one group of children.

Staff person—A person included in the staff:child ratio who is responsible for child care activities.

Supervise—To be physically present with a group of children or with the facility person under supervision. Critical oversight in which the supervisor can see, hear, direct and assess the activity of the supervisee.

Volunteer—A person 16 years of age or older who is not included in the staff:child ratio and who assists in implementing daily program activities under the supervision of a staff person.

Waiver—The Department's written exemption from the requirement of meeting a standard in this chapter.

Year—For purposes of calculating, 1 year of child care experience is a minimum of 1,250 clock hours.

GENERAL REQUIREMENTS

§ 3270.11. Application for and issuance of a certificate of compliance.

(a) A legal entity shall obtain a valid certificate of compliance to operate at a specific location. The certificate of compliance will be issued by the Department to a legal entity prior to commencement of operation at a specified location.

(b) A legal entity or a representative of the legal entity shall participate in an orientation training provided by the Department within 12 months prior to commencing operation of the child care center. The orientation does not count toward the annual minimum of 12 clock hours of child care training required in § 3270.31(e) (relating to age and training).

(c) Prior to issuance of a certificate of compliance, the legal entity or representative of the legal entity shall complete professional development in each of the following topics:

Copyright © 2021 Commonwealth of Pennsylvania

(1) Prevention and control of infectious diseases (including immunization) and the establishment of a grace period that allows homeless children and children in foster care to receive services under this subchapter while their families (including foster families) are taking necessary action to comply with immunization and other health and safety requirements.

(2) Prevention of Sudden Infant Death Syndrome and use of safe sleep practices.

(3) Administration of medication, consistent with standards for parental consent.

(4) Prevention of and response to emergencies due to food and allergic reactions.

(5) Building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic.

(6) Prevention of shaken baby syndrome and abusive head trauma.

(7) Emergency preparedness and response planning for emergencies resulting from a natural disaster or a man-caused event (such as violence at a child care facility) within the meaning of those terms under section 602(a)(1) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C.A. § 5195a(a)(1)).

(8) Handling and storage of hazardous materials and appropriate disposal of biocontaminants.

(9) Precautions when transporting children.

(10) Pediatric first aid and pediatric cardiopulmonary resuscitation.

(d) Completion of professional development shall be documented by the signature and title of a representative of the professional development entity and include the date the professional development was completed. Documentation shall be included with the application when it is submitted to the regional office. Documentation of the completion of professional development under subsection (c) taken from September 30, 2016, forward satisfies this requirement.

(e) Application for a certificate of compliance shall be submitted to the appropriate regional child care office in accordance with Chapter 20 (relating to the licensure or approval of facilities and agencies).

(f) A certificate of compliance is issued in the manner described in Chapter 20, for a period not to exceed 12 months from the date of issue.

(g) An agent of the Department will annually conduct at least one onsite unannounced inspection of a child care facility.

(h) The facility is subject to announced and unannounced inspections in accordance with § 3270.24(b) (relating to Departmental access).

(i) Except for § 20.32 (relating to announced inspections), the requirements in Chapter 20 apply to child care facilities.

(j) Sanctions relating to the status of a certificate of compliance are applied under the authority of applicable sections of the act, Chapter 20 and this chapter.

(k) A facility whose certificate of compliance is current as of December 19, 2020, will not be inspected under this chapter until the current certificate of com-

pliance is due to be renewed or when a regulatory violation is alleged and the Department responds to the alleged violation with an inspection.

(b) Appeals related to the Department's approval or licensure shall be made by filing a petition within 30 days after service of notice of the action.

(c) An operator may appeal a Departmental decision relating to the status of a certificate of compliance of a facility owned or operated by the legal entity.

(d) The Department will include information relative to appeal procedures when notifying operators of one or more of the following decisions:

(1) The denial of a certificate of compliance.

(2) The nonrenewal of a certificate of compliance.

(3) The revocation of a certificate of compliance.

(4) The issuance of a provisional certificate of compliance.

(5) The establishment of a period for which a provisional certificate of compliance is issued.

(6) The reduction of the maximum facility capacity.

(7) The denial of an increase in facility capacity.

(8) The limiting or precluding admission of persons into the facility.

(e) Subsection (b) supersedes the appeal period of 1 Pa. Code § 35.20 (relating to appeals from actions of the staff).

Notes of Decisions

The Department of Public Welfare's repeated failure to make timely inspections of day care center which it concealed by issuing provisional certificates based on technical or pretextual deficiencies, then granting retroactive certificates of compliance, enabled the Department to evade scrutiny of operator's appeal of issuance of provisional certificates of compliance by dismissing operator's appeal as moot. *Musheno v. Department of Public Welfare*, 829 A.2d 1228, 1232—1233 (Pa. Cmwlth. 2003). Such conduct by the Department raised important public issues, such as official competency, candor and accountability, which survive mootness. *Id.* at 1233.

§ 3270.13. Waivers.

(a) A waiver excuses an operator from meeting a regulatory standard and substitutes another standard which the operator shall meet. The substituted standard has the same legal effect as the regulatory standard.

(b) The operator shall submit the request for waiver to the regional office before the facility is inspected for issuance or renewal of a certificate of compliance.

(c) An operator may request a waiver of only the regulatory standards in the following sections:

(1) Accreditation requirements which apply to §§ 3270.34—3270.36 (relating to director qualifications and responsibilities; group supervisor qualifications and responsibilities; and assistant group supervisor qualifications and responsibilities).

(2) Physical site requirements in §§ 3270.61—3270.82 (relating to physical site).

(3) Equipment requirements in §§ 3270.101—3270.108 (relating to equipment).

(4) Program requirements in §§ 3270.111—3270.118 (relating to program).

(d) The Department will grant a waiver only if the following conditions are met:

(1) The waiver is not requested as a substitute for correcting a Departmental citation of noncompliance.

(2) The request for waiver does not alter the applicability or purpose of a regulation.

(3) The request shows evidence that the operator has a plan to achieve the objective of the regulation.

(4) The request certifies that the operator will meet regulatory standards related to the health, safety and rights of children.

(5) The request for waiver does not violate or condone noncompliance with another Federal or State statute or regulation.

(6) The request for waiver may not jeopardize Federal or State funding.

(e) A waiver previously granted for staff person qualifications remains in effect for the staff person at the location specified.

FACILITY PERSONS

§ 3270.31. Age and training.

(a) A volunteer shall be 16 years of age or older and shall be directly supervised at all times by a staff person.

(b) A staff person shall be 18 years of age or older.

(c) An individual 16 years of age or older who is enrolled in an approved training curriculum may be used as a staff person, if the following guidelines are met:

(1) The curriculum is conducted by an institution approved by the Department of Education and accredited by an accrediting agency recognized by the United States Department of Education or the Council on Postsecondary Education and acceptable to the Department of Education.

(2) The curriculum includes acceptable training topics referenced in subsection (e)(2).

(3) The curriculum includes a minimum total of 600 clock hours, distributed as follows:

(i) A minimum of 400 clock hours of classroom training.

(ii) A minimum of 200 clock hours of supervised training in a child care facility.

(4) A representative of the training institution certifies in writing that the individual has completed the required classroom training and is currently enrolled in the curriculum.

(5) The written certification required in paragraph (4) shall be retained in the staff file at the facility.

(d) Child care professional credentials are equivalent to the staff qualifications:

Copyright © 2021 Commonwealth of Pennsylvania

(1) A Child Development Associate (CDA) credential or a Certified Child-care Professional (CCP) credential is equivalent to 9 credit hours from an accredited college or university in early childhood education or child development and 1 year of experience with children.

(2) A Pennsylvania school-age professional credential is equivalent to 9 credit hours from an accredited college or university in elementary education or child development and 1 year of experience with children.

(e) A staff person shall obtain an annual minimum of 12 clock hours of child care training.

(1) Acceptable training is conducted in one or more of the following settings:

(i) By a secondary or postsecondary institution approved by the Department of Education and accredited by an accrediting agency recognized by the United States Department of Education or the Council of Postsecondary Accreditation and acceptable to the Department of Education.

(ii) By an entity that is licensed or certified professionally competent in the training topic.

(iii) In conferences or workshops.

(iv) With audio-visual materials recognized by child care professionals.

(2) Acceptable training topics include the following:

(i) Child or staff health.

(ii) Child development, early childhood education and special education.

(iii) Supervision, discipline and guidance of children.

(iv) Nutrition for children.

(v) Child care program development.

(vi) Child care staff person or volunteer professional development.

(3) Other training topics may be submitted for the Department's review and approval.

(4) Depending on the provisions of the appropriate regulation, training may be required for certain staff persons. The following constitutes competence in training areas:

(i) *Pediatric first-aid training and pediatric cardiopulmonary resuscitation (CPR).* Competence is the completion of training by a professional in the field of first-aid and cardiopulmonary resuscitation (CPR). All staff persons shall renew their certification in pediatric first aid and pediatric CPR on or before the expiration of the most current certification.

(ii) *Firesafety training.* Staff persons shall participate, at least annually, in firesafety training conducted by a fire protection professional. Staff persons and volunteers shall receive training in maintenance of smoke detectors, the duties of facility persons during a fire drill and during a fire and the use of the facility's fire extinguishers, not including discharge of the fire suppressant agent.

(iii) *Lifeguard training.* Competence is the completion of lifeguard training, including first-aid training and cardiopulmonary resuscitation (CPR) for child and infant.

(iv) *Water safety instruction.* Competence is the completion of basic instruction in water safety from a certified lifeguard.

(f) Staff persons shall complete professional development in the following topics within 90 days of hire:

(1) Prevention and control of infectious diseases (including immunization) and the establishment of a grace period that allows homeless children and children in foster care to receive services under this subchapter while their families (including foster families) are taking necessary action to comply with immunization and other health and safety requirements.

(2) Prevention of Sudden Infant Death Syndrome and use of safe sleep practices.

(3) Administration of medication, consistent with standards for parental consent.

(4) Prevention of and response to emergencies due to food and allergic reactions.

(5) Building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water and vehicular traffic.

(6) Prevention of shaken baby syndrome and abusive head trauma.

(7) Emergency preparedness and response planning for emergencies resulting from a natural disaster or a man-caused event (such as violence at a child care facility) within the meaning of those terms under section 602(a)(1) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C.A. § 5195a(a)(1)).

(8) Handling and storage of hazardous materials and appropriate disposal of biocontaminants.

(9) Precautions when transporting children.

(10) Pediatric first aid and pediatric cardiopulmonary resuscitation.

(g) Completion of professional development shall be documented by the signature and title of a representative of the professional development entity and include the date professional development was completed. Documentation shall be retained in the facility person's file or maintained in an electronic system as designated by the Department. Documentation of the completion of the professional development under subsection (f) taken from September 30, 2016, forward satisfies this requirement.

(h) All staff persons shall complete the professional development under subsection (f).

(i) Professional development under subsection (f) may count towards the annual clock hours in subsection (e) on a one-time basis.

(j) Staff persons shall obtain available ongoing professional development relating to the health and safety topics as specified in subsection (f) prior to obtaining professional development in other topics as permitted in subsection (e)(2).

PHYSICAL SITE

§ 3270.61. Measurement and use of indoor child care space.

(a) A facility shall provide indoor child care space for individual and group small muscle activity.

(b) Indoor child care space may not be used simultaneously as play space.

(c) Indoor child care space is measured within permanent stationary partitions or walls. The allowable number of children in a space is determined by dividing the total square feet in a space by 40.

(d) Measured indoor space includes space occupied by cupboards, shelves, furniture and equipment.

(e) Measured indoor space excludes space occupied by halls, bathrooms, offices, kitchens and locker rooms.

(f) Indoor space in which children are receiving care may not be used simultaneously for other business, commercial, social or another purpose unrelated to the child care being offered.

(g) Preschool and school-age children may not be involved in small or large muscle activity in the same group space in which children are sleeping or resting.

(h) The capacity established for an indoor space may not be exceeded except in the following situations:

(1) At naptime, when toddler or preschool children are resting on rest equipment described in § 3270.106 (relating to rest equipment) if the following conditions are met:

(i) At naptime, the capacity is determined by the requirement for placement of rest equipment described in § 3270.106(f).

(ii) At naptime, the capacity may be exceeded for a period not longer than 2 1/2 consecutive hours, no more than twice in a program day.

(2) When older toddler, preschool or school-age children are participating in a program activity if the following conditions are met:

(i) The capacity of the indoor child care space may be exceeded for no more than two separate 1/2 hour time periods daily.

(ii) Each time period shall be designated on the facility's schedule of daily activities.

(iii) The space may not be occupied by children of the infant or young toddler age levels during a time period when the capacity is exceeded.

(iv) The number of children present in the space may not be more than twice the measured capacity of the space.

(3) When a meal is served in a space designated and measured as indoor child care space if the following conditions are met:

(i) The capacity of a space may be exceeded when children are eating for no more than 1 hour daily.

(ii) The meal time shall be designated on the facility's schedule of daily activities.

(iii) The number of children present in the space may not be more than twice the measured capacity of the space.

(i) The total number of children receiving child care services at the facility at any one time may not exceed the facility's maximum capacity.

§ 3270.113. Supervision of children.

(a) Children on the facility premises and on facility excursions off the premises shall be supervised by a staff person at all times. Outdoor play space used by the facility is considered part of the facility premises.

(1) Each staff person shall be assigned the responsibility for supervision of specific children. The staff person shall know the names and whereabouts of the children in his assigned group. The staff person shall be physically present with the children in his group on the facility premises and on facility excursions off the facility premises.

(2) The requirement for supervision on and off the facility premises includes compliance with the staff:child ratio requirements in §§ 3270.51—3270.55 (relating to staff:child ratio).

(b) A facility person may not use any form of physical punishment, including spanking a child.

(c) A facility person may not single out a child for ridicule, threaten harm to the child or the child's family and may not specifically aim to degrade the child or the child's family.

(d) A facility person may not use harsh, demeaning or abusive language in the presence of children.

(e) A facility person may not restrain a child by using bonds, ties or straps to restrict a child's movement or by enclosing the child in a confined space, closet or locked room. The prohibition against restraining a child does not apply to the use of adaptive equipment prescribed for a child with special needs.

CHILD HEALTH

§ 3270.131. Health information.

(a) The operator shall require the parent of an enrolled child, including a child, a foster child and a relative of an operator or a facility person, to provide an initial health report no later than 60 days following the first day of attendance at the facility.

(1) The initial health report for an infant must be dated no more than 3 months prior to the first day of attendance at the facility.

(2) The initial health report for a young toddler must be dated no more than 6 months prior to the first day of attendance at the facility.

(3) The initial health report for an older toddler or preschool child must be dated no more than 1 year prior to the first day of attendance at the facility.

(4) The initial health report for a school-age child must be dated in accordance with the requirements for medical examinations for school attendance in 28 Pa. Code § 23.2 (relating to medical examinations).

(b) The operator shall require the parent to provide an updated health report in accordance with the following schedules:

(1) At least every 6 months for an infant or young toddler.

(2) At least every 12 months for an older toddler or preschool child.

(c) A health report must be written and signed by a physician, physician's assistant or a CRNP. The signature must include the individual's professional title.

(d) The health report must include the following information:

(1) A review of the child's health history.

(2) A list of the child's allergies.

(3) A list of the child's current medication and the reason for the medication.

(4) An assessment of an acute or chronic health problem or special need and recommendations for treatment or services, including information regarding abnormal results of screening tests for vision, hearing or lead poisoning.

(5) A review of the child's immunized status according to recommendations of the ACIP.

(6) A statement of the child's medical information pertinent to diagnosis and treatment in case of emergency.

(7) A statement that the child is able to participate in child care and appears to be free from contagious or communicable disease.

(8) A statement that age-appropriate screenings recommended by the American Academy of Pediatrics were conducted since the time of the previous health report required by this section.

(e) The facility may not accept or retain an infant 2 months of age or older, a toddler or a preschool child at the facility for more than 60 days following the first day of attendance at the facility unless the parent provides written verification from a physician, physician's assistant, CRNP, the Department of Health or a local health department of the dates (month, day and year) the child was administered immunizations in accordance with the recommendations of the ACIP.

(1) The facility shall require the parent to provide updated written verification from a physician, physician's assistant, CRNP, the Department of Health or a local health department of ongoing vaccines administered to an infant, toddler or preschool child in accordance with the schedule recommended by the ACIP.

(2) Exemption from immunization must be documented as follows:

(i) Exemption from immunization for religious belief or strong personal objection equated to a religious belief must be documented by a written, signed and dated statement from the child's parent or guardian. The statement shall be kept in the child's record.

(ii) Exemption from immunization for reasons of medical need shall be documented by a written, signed and dated statement from the child's physician, physician's assistant or CRNP. The statement shall be kept in the child's record.

(3) The facility shall implement dismissal policies in accordance with the Department of Health regulation in 28 Pa. Code § 27.77 (relating to immunization requirements for children in child care group settings).

(4) The facility shall comply with the annual immunization reporting requirements in accordance with the Department of Health regulation in 28 Pa. Code § 27.77.

§ 3270.133. Child medication and special diets.

The operator shall make reasonable accommodation in accordance with applicable Federal and State laws to facilitate administration of medication or a special diet that is prescribed by a physician, physician's assistant or CRNP as treatment related to the child's special needs. Facility persons are not required to administer medication or special diets which are requested or required by a parent, a physician, a physician's assistant or a CRNP but are not treatment related to the child's special needs. When medication or special diets are administered, the following requirements apply:

(1) A prescription or nonprescription medication may be accepted only in an original container. The medication must remain in the container in which it was received.

(2) A staff person shall administer a prescription medication only if written instructions are provided from the individual who prescribed the medicine. Instructions for administration contained on a prescription label are acceptable.

(3) The label of a medication container must identify the name of the medication and the name of the child for whom the medication is intended. Medication shall be administered to only the child whose name appears on the container.

(4) Medication shall be stored in a locked area of the facility or in an area that is out of the reach of children.

(5) Medication shall be stored in accordance with the manufacturer's or health professional's instructions on the original label.

(6) A parent shall provide written consent for administration.

(7) An operator is responsible to establish and maintain a medication log if prescription or nonprescription medication is administered. A log must include the following minimum information:

(i) The name of the medication.

(ii) The name of the child receiving the medication.

(iii) A requirement for refrigeration.

(iv) The amount of medication administered.

(v) The date of administration.

(vi) The time of administration.

(vii) The initials of the staff person who administered the medication.

(viii) Special notes related to problems of administration.

(8) If a special diet is prescribed for a child and if the diet is administered to the child, written instructions and the parent's written consent shall be retained in the child's file.

§ 3270.135. Diapering requirements.

(a) When children are diapered, the facility shall use disposable diapers, a diaper service or arrange with the parent to provide a daily diaper supply.

(1) If nondisposable diapers are provided by a parent, a soiled diaper shall be placed in an individual, securely-tied plastic bag and returned to the parent at the end of the day.

(2) If nondisposable diapers from a diaper service are provided by a facility, a soiled diaper shall be placed in the container provided by the service or in a securely-tied plastic bag.

(3) If disposable diapers are provided by a parent or by a facility, a soiled diaper shall be discarded by immediately placing the diaper into a plastic-lined, hands-free covered can.

(4) A soiled diaper that is not in a tied bag may not be placed in an unlined outdoor trash container.

(b) Diaper changing surfaces shall be cleaned after each use by wiping the surface with a sanitizing solution or by changing a pad or other surface covering.

(c) The diapering area may not be used for food preparation or food service.

(d) Cloth and paper materials used as diapering aids shall be stored in a manner that prevents cross-contamination from a soiled diaper, contaminated hands or other changing materials.

(e) A staff person shall check a child's diaper at least every 2 hours and whenever the child indicates discomfort or exhibits behavior that suggests a soiled diaper. A staff person shall change a child's diaper when the diaper is soiled.

§ 3270.136. Reporting diseases.

(a) If an operator allows admission of an ill child, the operator shall receive instructions from the parent for care of the child to assure that the child's needs for rest, attention and administration of medication are met.

(b) The operator shall inform parents of enrolled children when there is a suspected outbreak of a communicable disease or an outbreak of an unusual illness that represents a public health emergency in the opinion of the Department of Health.

(c) If a child becomes ill at the facility, the operator shall notify the child's parent as soon as possible.

(d) A facility person who knows of a communicable disease for which 28 Pa. Code Chapter 27 (relating to communicable and noncommunicable diseases) requires reporting, or who knows of a group expression of an illness which may be of public concern, whether or not it is known to be of a communicable nature, shall report it promptly to the appropriate division of the Department of Health as specified in Chapter 27, or to a local department of health.

ADULT HEALTH

§ 3270.151. Health assessment.

(a) A facility person providing direct care who comes into contact with the children or who works with food preparation shall have a health assessment conducted within 12 months prior to providing initial service in a child care setting and every 24 months thereafter. A health assessment is valid for 24 months following the date of signature, if the person does not contract a communicable disease or develop a medical problem.

(b) A health assessment shall be conducted and a report shall be written and signed by a physician, physician's assistant or CRNP. The signature must include the individual's professional title.

(c) The health assessment must include the following:

(1) A physical examination.

(2) Tuberculosis screening by the Mantoux method at initial employment. Subsequent tuberculosis screening is not required unless directed by a physician, physician's assistant, CRNP, the Department of Health or a local health department.

(i) If a person's medical record demonstrates a positive tuberculin skin test, that record shall be placed on file at the facility.

(ii) A record of a person with a positive tuberculin skin test must include the results of a chest X-ray and evaluation for chemoprophylaxis.

(iii) A person with a positive tuberculin skin test and a negative x-ray is not required to have further tuberculosis testing, unless one of the following occurs:

(A) The person is exposed to an active case of tuberculosis.

(B) The person develops a productive cough which does not respond to medical treatment within 14 days.

(3) Examination for communicable diseases and the results of that examination.

(4) Information on medical problems that might threaten the health of the children or prohibit a staff person from providing adequate care to children.

(5) The physician's or CRNP's assessment of the person's suitability to provide child care.

(d) An adult individual who is employed by a facility and who provides children with social, medical, psychological or psychiatric services in addition to this chapter is required to have a current health assessment on file at the facility. An adult individual or an employe of an agency who provides those services by contract with the child's parent or the facility is not required to have a current health assessment on file at the facility.

SCHOOL-AGE PROGRAMS

§ 3270.241. Requirements specific to school-age programs.

(a) If a child is required to be enrolled in public or private school under the Public School Code of 1949 (24 P.S. §§ 1-101—27-2702) and if the child is not enrolled and if the child is not exempted from enrollment under the Public School Code, a child care facility may not admit the child for care during the hours when the child is required by law to attend public or private school.

(b) A facility or a space in a facility in which care is provided exclusively to school-age children shall comply only with the following sections:

(1) *General provisions*. Sections 3270.1—3270.4 (relating to general provisions).

(2) *General requirements*. Sections 3270.11—3270.27 (relating to general requirements).

(3) *Staff persons and volunteers*. Sections 3270.31, 3270.32 and 3270.33(a), (b) and (d) (relating to age and training; suitability of persons in the facility; and general requirements for facility persons). Special requirements for director, group supervisor and assistant group supervisor are set forth in subsection (c).

(4) *Staff-child ratio*. Sections 3270.51, 3270.53 and 3270.54 (relating to similar age level; children of an operator or a staff person; and minimum number of facility persons in the child care facility).

(5) *Physical site.*

(i) Physical site requirements do not apply for a school-age program located in a school building that is under section 776.1 of the Public School Code of 1949 (24 P. S. § 7-776.1); specifically, a program operated for school-age children in a public or private school building, a building used by an intermediate unit, or an area vocational-technical school building which meets the physical site requirements acceptable to the Department of Education.

(ii) A school-age program not located in a school building referenced in subparagraph (i) must comply with requirements in §§ 3270.61, 3270.62, 3270.64, 3270.67, 3270.69, 3270.72(a), 3270.73, 3270.74, 3270.76, 3270.78, 3270.79 and 3270.82(a), (b) and (h).

(6) *Fire safety*. Sections 3270.91(a), 3270.92—3270.94 (relating to fire safety).

(7) *Equipment*. Sections 3270.101, 3270.102(a)—(c) and (g), 3270.104, 3270.107 and 3270.108.

(8) *Program*. Sections 3270.111, 3270.113, 3270.115(a) and (b), 3270.116 and 3270.118.

(9) *Procedures for admission*. Sections 3270.121—3270.124 (relating to procedures for admission). When a school-age child attends the facility 15 hours or less per week, the operator is not required to complete the Department's approved form to provide information to the family about the child's growth and development in the context of the services being provided referenced in § 3270.124(a)(3).

(10) *Child health*. Sections 3270.131—3270.134(a) and 3270.136—3270.138. An equivalent health report completed by a school is acceptable as documentation of child health for a school-age child.

(11) *Adult health*. Sections 3270.151—3270.154(a) and 3270.155.

(12) *Nutrition.*

(i) In a facility operating a school-age program for fewer than 4 consecutive hours, none of the nutrition requirements applies.

(ii) If a program operates for 4 or more consecutive hours or if a program provides meals or snacks, the facility director shall comply with §§ 3270.161—3270.165.

(13) *Transportation.*

(i) A facility is exempt from transportation requirements when children attending care at the facility are transported in vehicles owned and operated by the school district in which the facility is located.

(ii) A facility not operating under the provisions referenced in subparagraph (i) shall comply with §§ 3270.171—3270.178 (relating to transportation).

(14) *Child records*. Sections 3270.181—3270.185 (relating to child records).

(15) *Adult records*. Sections 3270.191—3270.193 (relating to adult records).

(16) *Special exemptions*. Sections 3270.231—3270.233 (relating to staff qualifications; indoor and outdoor space and capacity; and play surfaces).

(17) *Telephone*. Staff persons shall have immediate access to a working telephone on the facility premises. If a land-line telephone is not accessible to staff persons during the hours of facility operation, a wireless telephone is acceptable.

(c) Special requirements for staff persons in school-age programs or in school-age spaces.

(1) *Director.*

(i) In a program operating 30 or fewer hours a week, a director or director/group supervisor shall be present at a facility as required at § 3270.34 (relating to director qualifications and responsibilities) at least 20% of the program's operational hours.

(ii) In a program operating 31 to 45 hours a week, a director or director/group supervisor shall be present at a facility site at least 35% of the program's operational hours.

(iii) In a program operating 46 or more hours a week, a director or director/group supervisor shall be present at a facility site as described at § 3270.34(c) and (d).

(iv) A responsible designee shall be appointed by a director as described at § 3270.34.

(2) *Group supervisor.* In a program in which 46 or more school-age children are enrolled, a group supervisor shall be present at a facility site as described at § 3270.35 (relating to group supervisor qualifications and responsibilities).

(3) *Assistant group supervisor.*

(i) In a program in which 45 or fewer school-age children are enrolled, assistant group supervisors shall be present at a facility site during the program's operational hours.

(ii) In a program in which 45 or fewer school-age children are enrolled, one assistant group supervisor is required to be present at a facility site for each group of 12 young school-age or 15 older school-age children in attendance.

(iii) In a program of 45 or fewer enrolled children, an assistant group supervisor is responsible for the following minimum duties:

(A) Planning and implementing, with the director, daily program activities.

(B) Coordinating activities with other assistant group supervisors.
